NOTE:

Though Lakota purchases many of the basic supplies for students with student fees, it does not alleviate the responsibility of the students to respect what is provided to them. Lakota does not have endless resources and establishing standard allocations to students is part of determining the school fee. **If students misuse or abuse the supplies given to them, teachers may request parents to provide additional school supplies that would typically be provided through student fees.**

- Send supplies at Open House or on the first day of school
- Planners will be furnished
- All pens, pencils, markers, crayons, glue, rulers, notebook paper, composition notebooks, and other items will be purchased with your school fees.
