- **Send supplies in on the first day of school.**
- **Planners will be furnished for all grades.**
- **All students: school bag/backpack (no wheels).**
- **Establishing standard allocations to students is part of determining the school fee. Though Lakota purchases many of the basic supplies for students with student fees, it does not alleviate the responsibility of the students to have respect for what is provided to them. If students misuse or abuse the supplies given to them, teachers may request parents to provide additional school supplies that would typically be provided through student fees.**
