Because of the compact and accelerated nature of the programs, **students must be in attendance every day. In extenuating circumstances, an absence may be excused, but the student is still responsible for all missed work. In addition, summer PE absences will require that students make up the time missed.** Students must participate in the entire course to receive credit. Students are expected to follow all rules and policies as outlined in the Lakota Student Code of Conduct

Summer vacations and other appointments should not be scheduled during Summer School hours.
