

The Lakota Local School District takes all reports of alleged bullying seriously, and will review and investigate bullying incident reports that are received. Please be advised that because a bullying incident report is filed does not mean that bullying, as defined by R.C. 3313.666 and Board of Education policies (5517 and 5517.01), has occurred. The District will review and investigate each report to determine whether bullying, as defined by R.C. 3313.666 and Board of Education policies, has occurred. The District will also provide a written response to each Bullying Incident Report Form filed. Please also be advised that if student discipline is necessary based on an investigation into a report, all student discipline is confidential under R.C. 3319.321 and the Family Educational Rights and Privacy Act (FERPA, 20 USC 1232g). All Lakota policies can be accessed at www.lakotaonline.com.
